Speaker Stands for Sonos® Speakers

ONE STAND, THREE DIFFERENT APPLICATIONS

These SANUS speaker stands are designed to work with both the Sonos PLAY:1™ and PLAY:3™ speakers in any orientation. They position the speakers at the speaker manufacturer’s recommended angle for accurate dispersion and securely support the speaker for optimum bass response. The column and base have wire channels to make the cables disappear.

Custom brackets secure speaker without blocking Ethernet or power ports

Assembles in just minutes

Column and base hide power and Ethernet cables

Comes with both adjustable carpet spikes and rubber feet

Includes three mounting brackets for optimum speaker integration and performance
